

November 12, 2018

Attending: Mr. Duffy, Mrs. K, Sandy, Michelle, Kris, Angie, Jessica, Salle

Alice Drill will be conducted Tuesday Nov 13th

Mrs. K had a presentation on Careers. She has been working on Career Cruising for over 15 years. She works with 6th and 8th graders to get them thinking about "What's Your Plan". The DPI implemented this Career planning last year and our school adopted the "What's your Plan" approach. There is a Career Portal that the kids use, parents cannot access. She also brings in local businesses to talk to students about career paths. Mrs. K will be back in December to talk more about this.

Choir/Band needs help with handing out shirts from 8-10am on Friday Dec 14th and again on Dec 19th to pick up and wash the shirts. We need 4 volunteers for the 14th: Angie, Michelle and Jessica volunteered to help hand out shirts

Wreath Project: Sandy expects to hear from Greg on Wednesday and will let us know if this is a go. Kris would like to see a list put together for teachers so they know when they can expect to get the wreaths and what the expectation is: they need to bring their own decorations, how long they will be displayed, when it will be judged and when they will be brought out to local businesses.

Holiday Decorating help in Library: When and Where:?

Open Study is going on

Other Items Discussed: There is assigned seating for 6th grade because of the large class size and it was getting unruly, so far it is working fine and Mr. Duffy said it may happen with other grades.

Sandy brought up the "Give Back to Schools by office Depot" we thought it should be added to our Facebook page and to the District website – I will copy J. Disher on it.

Kris brought up a concern about Vaping- it's a big issue in the High School and there have been a couple of instances in MS, Mr. Duffy will bring in a police officer to discuss with PAC

Angie brought up a new app "Mapping App" that has a way it can allow all contacts on your phone to track to whereabouts, parents need to be aware of this app and make sure its not on your kids devices. We will put this on our Facebook page

Next Meeting Monday Dec 10th
