

Here are a few easy opportunities to raise money for the Hayward Middle School. Every bit helps and the money adds up. Please spread the word to family and friends.

Box Tops for Education

The traditional Box Tops clips are being phased out of production, but may continue to be found on many products. You can still clip and send them to school. Every Box Top is worth 10 cents for the middle school. Make sure each one has a clearly visible expiration date.

Turn the box tops into the office of the middle school. The bucket is outside the counselor's office. More information can be found at www.boxtops4education.com/

Eventually the Box Tops program will become digital-only. Participating brands are starting to change their packaging from a traditional Box Tops clip to the new Box Top label. If you see this label, use the new Box Tops app to scan your receipt. Box Tops are still worth 10 cents each. The app will find participating products purchased at any store and instantly add cash to the middle school earnings.

More Rewards at Marketplace Foods

This is the easiest fundraiser of all. If you already have a Marketplace More Rewards card, go to www.morerewards.com/ and login to your account. Click "Manage my Membership." In the School Rewards section select or search for HCSD - Middle School and click "Done." Then whenever you shop at Marketplace and enter your phone number, you automatically earn money for our school. Each year Coborn's gives \$150,000 to local schools and the points we earn determines how much of the \$150,000 we receive.

Please note, we no longer collect Labels for Education (this program has ended) or Milk Moola (this program has ended).

Thank you for supporting our school!!
